When did you become a human?

"I have learned from my earliest medical education that human life begins at the time of conception ... I submit that human life is present throughout this entire sequence from conception to adulthood and that any interruption at any point throughout this time constitutes a termination of human life."
- *Dr. Alfred M. Bongiovanni, professor of pediatrics and obstetrics at the University of Pennsylvania*

When are you a person?

"The term 'person,' used in the fifth amendment, is broad enough to include any and every human being within the jurisdiction of the republic."
- *Justice Stephen J. Field, U. S. Supreme Court*

"If this suggestion of personhood is established, the [abortionist] case, of course, collapses, for the fetus' right to life would then be guaranteed by the 14th Amendment."
- *Justice Harry Blackmun, Roe v. Wade*
